

KSE 2015
Korean Society of Echocardiography

November 21 – 22, 2015
"The-K Hotel Seoul" in Seoul, Korea

Dear Dr. Katsu Takenaka

We appreciate your participation in the last KSE / AAE 2014.

We would like to ask you to encourage your colleagues and members of Japanese Society of Echocardiography to submit abstracts.

It would be really appreciated if you could forward the e-mail calling for abstract to many doctors in your country or you could let us know the e-mail addresses so that we can directly contact them. It would be also helpful if you could post our meeting brochure to the web site or official journal of your echocardiography society.

The travel grant (1,000 USD) will be awarded to foreign presenters of accepted abstracts or cases.

If you have any request or questions regarding this matter, please let us know by sending e-mail to kse0930@ksecho.org.

Thank you very much for your participation.

Sincerely,

Jong-Min Song, MD. *Scientific Chair of Korean Society of Echocardiography*

Joon-Han Shin, MD. *Chairman of the Board of Korean Society of Echocardiography*

Sang Man Chung, MD. *President of Korean Society of Echocardiography*
